

## PDPM ICD-10 CODING SIMPLIFIED

The diagnosis entered in I0020B will determine the Clinical Category as a major payment component under PDPM. MDS Nurses will need to ensure the diagnosis entered maps to a clinical category found here:

### PDPM Clinical Category Mapping Tool.

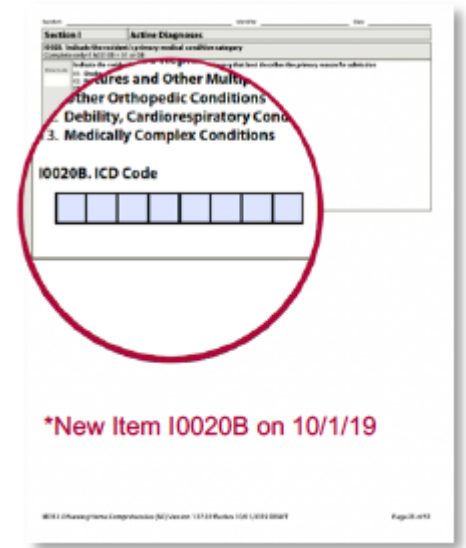

The diagnosis entered will map to one of the following categories, impacting reimbursement:

#### PT & OT

- Major Joint Replacement or Spinal Surgery
- Other Orthopedic
- Medical Management
- Non-Orthopedic Surgery & Acute Neurologic

#### ST

- Acute Neurologic

### “Check marked” areas in Section I that will impact reimbursement under PDPM

I1300 Colitis, Crohn's, or Inflammatory bowel disease	NTA	I5100 Quadriplegia	NSG
I2000 Pneumonia	NSG	I5200 Multiple Sclerosis	NSG, NTA
I2100 Septicemia	NSG	I5300 Parkinson's Disease	NSG
I2500 Wound Infection Code	NTA	I5500 Traumatic Brain Injury	SLP
I2900 Diabetes Mellitus	NSG, NTA	I5600 Malnutrition	NTA
I4300 Aphasia	SLP	I6200 Asthma, COPD, Chronic Lung Disease	NSG, NTA
I4400 Cerebral Palsy	NSG	I6300 Respiratory Failure	NSG
I4500 CVA, TIA, Stroke	SLP	I1700 Multi-Drug Resistant Organism	NTA
I4900 Hemiplegia or hemiparesis	SLP, NSG		

### Free-text responses in I8000 that will impact reimbursement under PDPM

Lung transplant status	NTA	End-stage liver disease	NTA	Complications of specified implanted device or graft	NTA	Severe skin burn or condition	NTA
Major organ transplant status	NTA	Chronic myeloid leukemia	NTA	Aseptic necrosis of bone	NTA	Speech and Language deficits	SLP
Opportunistic infections	NTA	Specified hereditary metabolic/immune disorders	NTA	Cardio-respiratory failure and shock	NTA	Proliferative diabetic retinopathy and vitreous hemorrhage	NTA
Bone/joint/muscle infection/necrosis	NTA	Morbid obesity	NTA	Chronic pancreatitis	NTA	Cirrhosis of liver	NTA
Cystic fibrosis	NTA	Endocarditis	NTA	Diabetic retinopathy	NTA	Respiratory arrest	NTA
Psoriatic arthropathy and systemic sclerosis	NTA	Myelodysplastic syndromes and myelofibrosis	NTA	Pulmonary fibrosis and other chronic lung disorders	NTA	System lupus erythematosus, other connective tissue disorders, and inflammatory spondylopathies	NTA
Immune disorders	NTA	Disorders of immunity	NTA	Apraxia	SLP	Amyotrophic lateral sclerosis	SLP
Dysphagia	SLP	Oral cancers	SLP	Intractable epilepsy	NTA	Laryngeal cancer	SLP
Narcolepsy and Catalexy	NTA						

### Icon Key

Nursing	NSG	Non-Therapy Ancillary	NTA	Speech Language Pathology	SLP
